

# How to Embed Media (Youtube, Vimeo and Google Docs)

A Guide for Students and Faculty

**Who is this for?** This guide is for students and faculty who want to embed media content in their ePortfolio.

**Step 1:** Copy the URL of the media content from the site you want to embed from. For this example, I will upload a video from YouTube. (See *image 1*)

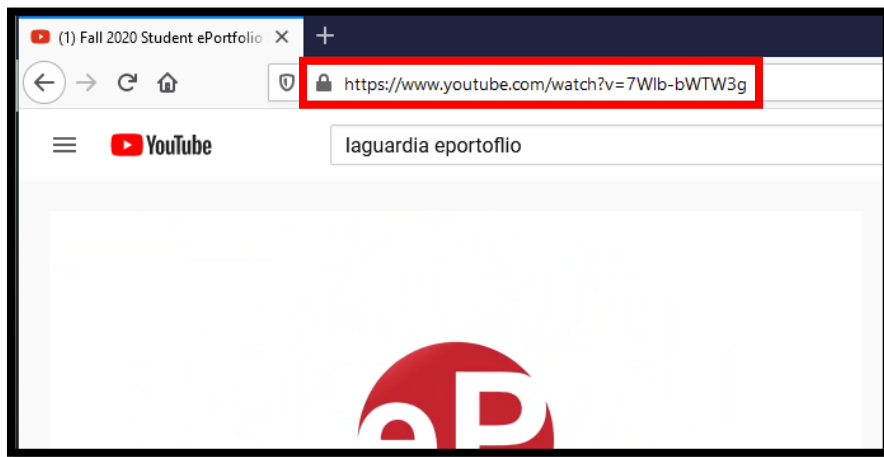

Image 1

**Step 2:** In your ePortfolio, click on the “Add content” button or (+) sign. (See *image 2*)

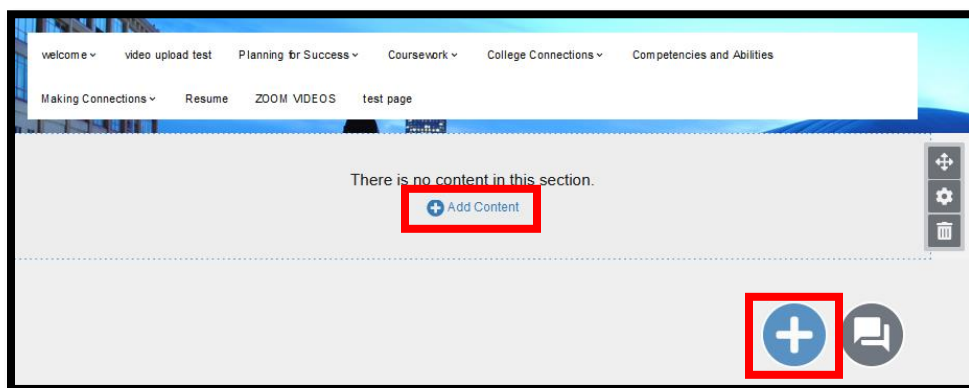

Image 2

**Step 3:** In the library, click “Embed” and select the module of the site you want to embed media content from. (See Images 3 and 4)

**Note: For Google Docs use the standard embed module**

That's it. If you have any questions, contact the ePortfolio team or visit the MB-57 office.
