

How to Make an Image Clickable

A Guide for Students and Faculty

Who is this for? This guide is for students and faculty who want to turn an image into a clickable link to a website or URL.

Step 1: Click the gear icon of the image on the page of your ePortfolio to bring up the “Module Setting” options on the left side of the browser window. (See image 1)

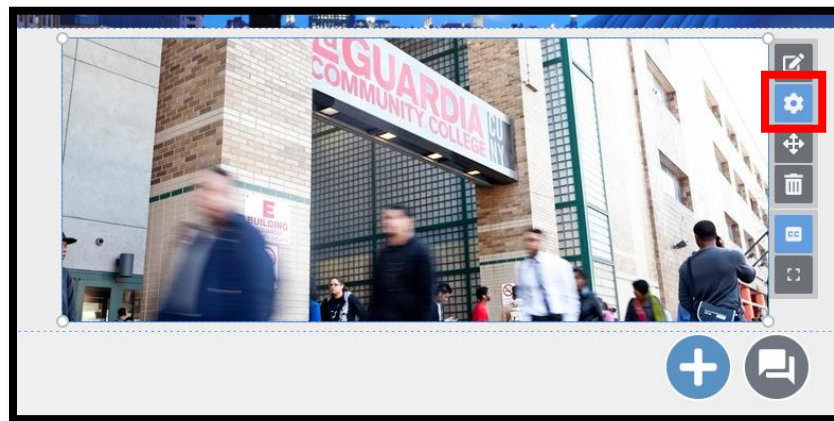

Image 1

Step 2: In the “Module Setting” window, scroll down to the “Image Settings” section and toggle on the “Make image clickable” option. (See image 2)

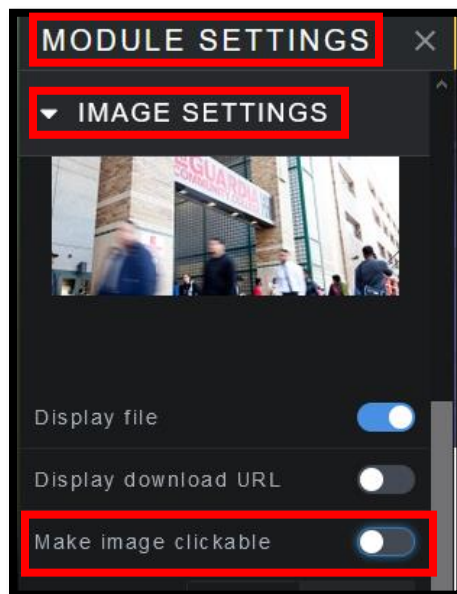

Image 2

Step 3: You will then be prompted to type in the URL that you want viewers to go to when they click the image. (see images 3 and 4)
